

**DEPARTMENT OF  
B.COM (HONOURS)**

- The Health Benefits of Millets competition was conducted on September 9, 2023, to enhance their writing skills and develop profound knowledge about millets and their rich sources. The competition enabled students to develop their interest in writing and the health benefits of our traditional foods.
- The Department of Bcom (Honours) organized an industrial visit to Brakes India Pvt Ltd on September 2, 2023. The students were briefed about the various types of brakes and other parts that are manufactured by the company. The students and the officials had a discussion session, and a live interaction enabled the students to understand more about the company.
