ABOUT THE DEPARTMENT

The Department of B.Com Accounting and Finance was started in the year 2010. It was then a fairly new discipline in commerce stream introduced by the University Of Madras. The program is designed to enhance student's ability to learn, and provide them with an opportunity to develop network through real-world experiences. The department offers students a perspective on business, providing them with the skills, knowledge and experience needed to pursue a career in either corporate, government or not-for-profit sectors. The Course focuses on accounting system, financial planning, entrepreneurial skills and Income tax knowledge. Students not only learn the fundamental principles of commerce and the latest development in business world, but also get exposed as how to apply this knowledge to contemporary business practices and simultaneously can be thorough in commercial techniques for pursuing higher studies.

FROM THE FACULTIES OF THE DEPARTMENT

Dear all,

I hope this message finds you all in good health. It is with great pleasure that I connect with you through this edition of our department newsletter. This platform serves as a vital medium to share the latest updates, celebrate the accomplishments of our talented students and dedicated faculty, and highlight the milestones in the journey of our B.Com Accounting & Finance program. Each edition stands as a testament to the collaborative spirit and vibrant community we have nurtured together. Thank you for your continuous support and commitment to our department. Wishing you ALL THE BEST

Ms. D P DERAIN SMILY
Head of the Department

Our department staffs are dedicated to equipping students with the knowledge and skills . Apart from academic we mold our students for analytical thinking, financial literacy, and strategic decision-making.

Dr. Saraswathi V
Assistant Professor

B.Com Accounting and Finance, the course itself is designed to provide in-depth knowledge in various domains of Accounting, Finance & Taxation. Subjects are handled by experienced Staff and several programs were conducted in collaboration with Industrial experts which helps to bring both academic knowledge and practical corporate guidance to the students. The department provides valuable career support and mentoring opportunities. Our department opens up opportunities for students to participate in seminars and conferences giving them exposure to face the competitive corporate world.

Ms. Kalpana P
Assistant Professor

B. Com Accounting and Finance focuses on financial management, accounting principles, and business practices. It is designed to equip students with the knowledge and skills needed for careers in accounting, banking, financial analysis, investment management, and corporate finance. The department plays a crucial role in shaping students academic and professional careers. It provides a well-structured curriculum, practical training, and career support to help students excel in the finance and accounting industry.
