## FOR WOMEN

### DEPARTMENT OF COMMERCE

### BANK MANAGEMENT

### BIZZ BANK - 2025

### ABOUT THE DEPARTMENT

The B.Com Bank Management Department is committed to nurturing future professionals in the field of banking and finance. Established with the vision of academic excellence and practical competence, the department offers a curriculum aligned with modern financial trends. Our program blends theoretical foundations with real-world applications, preparing students for dynamic careers in banking, financial services, and corporate sectors. Regular workshops, seminars, and guest lectures are organized to provide students with industry exposure. The department places a strong emphasis on skill development, ethical banking practices, and financial literacy.
